

Specification sheet 2021

- This competition complies with the 13/02/2013 law setting the registration conditions for French wine competitions on the list of French wine competitions, where medals may appear on wine labels produced in France.
- This competition is only open to organic wines or wines made from certified grapes complying with organic farming production methods in line with current European regulations. **Wines under conversion cannot be accepted.**
- **Only packaged wines ready for sale are allowed.** For vat samples, they must be ready to bottling.

- Wines must come from a uniform lot available for sale, with quantities larger than or equal to 1000 litres for still red, white, rose wines and sparkling, and 100 litres for sweet wines, fortified wines and *vins de paille*. **Wines must come from a clearly identifiable lot.**

- Each participant sends his samples directly at his own expense.

The entry fee 2021 is set at (see below the fee the terms of payment)

	Price HT (excluding tax) For Europeans countries (Outside France)	Price TTC (including tax) For France and countries outside European Union
Price per registered wine	70 € HT	84 € TTC
